

## Prairieville Township Parks and Recreation Report February 2022

- We have turned in our suggested budget and look forward to meeting with you on February 28.
- Speaking of February 28 Judy Risdon and I are providing a casual dinner before the meeting. We would like to invite the Township Board to join us. If you can attend please send me a quick email at [mabdconsultants@yahoo.com](mailto:mabdconsultants@yahoo.com) so that we have enough food. We will have the meal ready at 5:00 p.m.
- As you know we are working on Ordinance 152. My time line was a little optimistic so plan B is that this will be at your March board meeting. We are working with Catherine Kaufman to get this completed.
- Scott Kuebler and I are continuing to meet about the Upper Crooked Lake Wash Station with others. It is our hope that it will be open and manned again this year.
- We continue to use our 5 year plan to drive our actions. With the recent turnover, you had not approved the plan. It is on your agenda for the February meeting.

Isn't it the truth!! Hoping for warmer weather soon!
