

**Prairieville Township Parks and Recreation Report**  
**MaryAnn DeVries, Chairperson**  
**May 2022**

- North Country Trail is putting a kiosk at the Parker Road park. We will have the chance to put things inside it along with the NCT. What a great opportunity for Prairieville to have people enjoying our great area.
- Upper Crooked Lake wash station update at the meeting.
- The OPEN sign at Gull Lake which is not totally working will be removed. To replace the burned out bulbs we have to buy an entire new unit.
- We have had issues with the internet at Gull Lake. It has caused problems for everyone. I will give you the latest update at the meeting.
- Summer has arrived and TK and staff continue to get the parks ready for guests.
