PUBLIC COMMENT (3 minutes - state name and address):

Dan Garrett 444 Gull lk dr Concerns about Upper Crooked boat launch . Discussion followed of plans for correction

Jim Minich would like tournaments not registered on DNR website to be ticketed or enforce registration. Has observed power loading and would like enforcement

Tom P issue with ramp on Upper Crooked Lk most notably boulder on east side of ramp.

UNFINISHED BUSINESS:

1. Replacement of DNR signs. Spring of 2025
2. Clean Waters Grant check for \$655 received
3. Reimbursement of costs for Gull Lake kayak launch: Paperwork has been filed; we should get a check for \$1,116.99 soon.
4. Larger dumpster at Gull Lake: It has been suggested that we keep the current dumpster and add a second dumpster (same size as the current dumpster) on the other side of the parking lot. 1st Gary, 2nd Judy -Approved
5. GLWQ application to be submitted by Gary.
6. Returnable containers from Gull Lake are being donated to Hickory Corners poultry club

NEW BUSINESS:

1. Wayne Boudreau has requested that we add parking lot barrier on the North side of the Upper Crooked parking lot. TK has expressed concern that this will cause issues by reducing the size of the vehicle / trailer parking spaces. Can we just put barriers on the North edge of the pavement as a compromise?
Commission Decision: No barriers will be installed
2. Truck will be kept at Pine Lk in new barn when finished completely.

PUBLIC COMMENT (3 minutes - state name and address):

Jim Minich would like to know the reason for membership in GLWQ-discussion followed

BOARD COMMENTS:

Gary: Good meeting,

Kevin: Good input

Dave: Kayak launch at Gull hard to access-no action at this time due to ADA concerns with dock.

Judy: Next month agenda to discuss Gull Lk parking lot. 5 yr plan-Approve snow removal contract
