Rules at Lake Front Parks

- The Commission shall establish site entry fees.
- Fees may be charged for permit issuance.
- Entry fee is to be made upon entry.
- No swimming in boat launch areas.
- No storing or leaving vehicles, boats, trailers, shanties, etc. during closed hours.
- The placement of a boat trailer in any parking space that is not attached to a vehicle is considered reserving that space and will be removed at the owner's expense
- Persons driving vehicles towing a trailer carrying a watercraft are required to launch the watercraft within one (1) hour of entry into the park.

Rules for Lake Usage

- "POWERING" off or on is strictly prohibited.
- Any fishing tournament or competition regardless of the number of participants is considered to be a special event or activity for which a permit is required.
- Any fishing tournament or competition beginning prior to 9:00 am shall employ an event starting method that creates a minimal noise level and minimal wake.

Boat Washing

- Watercraft entering a park where a wash station is provided must be washed prior to launching unless clean, drained and dry. When staffed, watercraft must be washed if an inspection determines that it is necessary to do so. To minimize the transport of invasive species, all watercraft must be washed before exiting the park.
